

Oxnard College

Computer Skills Center

(LA-7, OE-2 and OE-3)

Hours of Operation ~ **Fall 2008**

For students enrolled in: CIS R001A/B, R002, R020A, R021A, R024A, R122, R123A, R129, and R130, the following is a list of open labs you may use to work on your assignments.

Special note for keyboarding and keyboarding speed & accuracy students:

Special hours have been reserved for you to be with an instructor who will dedicate herself to assisting you. See below for that schedule. Please attend class with her for timed writings and tests. You may utilize any lab at any other time to complete your work.
